

Route 66: From The Train Station to either the Petit Hotel Orphée or the Grand Hotel Orphée

Destination: Untere Bachgasse 8 – 93047 Regensburg

Phone: (0941 - not needed when in town) 59 60 20

When arriving by train the easiest way to get to us is to simply take a **taxi** or else the "**Altstadtbus**", a special bus traversing the old town center from Monday until Saturday.

The bus stop of the **Altstadtbus** is right opposite the main exit of the central train station.

Board the bus and get off at the stop "**Altes Rathaus**" right in front of the old town hall with its tall clock tower. With the town hall in your back you walk straight ahead: this is already the "**Untere Bachgasse**" which will lead you after 50 yards to the doors of the "Restaurant Orphée" where you find the reception desk.

If you would rather go for a **pleasant walk of 15 minutes** than take this bus ride of about 10 minutes you do it like this:

Walk out the main exit of the train station which leads into town via the "**Maximilianstraße**".

Go to the second intersection (that will be a distance of about 300 yards) where you see the Parkhotel Maximilian. Walk left into the "**St.-Peters-Weg**". This road passes an old stone monument and then bends to the right and leads into "**Fröhliche Türkenstraße**" (the street of the happy turks, just for the record).

Walk straight on into "**Lilienstraße**" until you come to the clothing store **TK-Max**. Take a left there and walk across the Neupfarrplatz with the church on its peculiar stone pedestal to the corner of "**Gesandtenstraße**" and "**Untere Bachgasse**" -- here you turn right and will end up at the **Restaurant Orphée** and the reception desk of the hotels after a mere 50 yards.

Congratulations; nothing better than a bit of fresh air & the enjoyment of sundry pretty sights.

Route 77: From the Train Station to the Country Manor Orphée

Destination: Andreasstraße 26 - 93059 Regensburg

Phone: (0941 - not needed when in town) 59 60 23 00

When arriving by train the easiest way to get to us is to simply take a **taxi**. A short drive of not even 10 minutes will take you straight to our door.

If you prefer to go by **bus** you walk out the main exit (direction city center) and for about 50 yards straight ahead before you turn right into "**Albertstraße**" with the main bus terminal.

Here you can take either one of 3 bus lines:

The **Linie 3** bound for **Wutzlhofen**,

the **Linie 8** bound for **Grünthal**,

the **Linie 9** bound for **Sallerner Berg**.

Regardless of which line you take, you get off at the stop "**Eiserne Brücke**". Walk back a few yards towards the bridge until you come to a crossing for pedestrians. Cross the street and walk straight on into "**Proskestraße**" (the beverage retailer on the corner stays on your left).

Next you cross a small bridge called "**Grieser Steg**" and arrive north of the Danube in the burrough called **Stadtamhof**. On your left you will already see the massive **Andreas-Stadel**, the big ex-salt warehouse with its characteristic huge roof and many windows. In order to get to the hotel entrance you pass to the **north side** (away from the river, that is) of the 16th century warehouse and follow "**Andreasstraße**" along the big building for about 50 yards until you come to the entrance of the "Landhaus Andreasstadel".

Welcome! Walk right in and make yourself at home!
